Meeting Accessibility

Base Access Requirements: All visitors without a U.S. DoD Common Access Card (CAC) or U.S. military ID must be vetted in advance in order to gain entry onto the base. Per the U.S. Army, all non-DoD civilians are required to have a background check before being allowed on a military installation; better known as vetting. (Procedure can take between 5 to 45 minutes).

For Pre-vetting:

(1) Pre-vetting (due no earlier than 20 days, and no later than 10 days before the event):

(a) If the visitor does not have a U.S. driver's license:

(i) That visitor will not be able to utilize the online feature, and must fill out the paper application and return same to their sponsor for submission to the JBM-HH Visitor Control Center (VCC).

(1) Submit the JBM-HH Request for Support Form (Form 7) and the Special Events Visitor List (190-16f) for all non-DoD, to the Installation Operations Center and to NDU.

(2) Upon JBM-HH assessment, the Installation Operations Center will determine if this is an authorized or unauthorized event: notification (by email) to JBM-HH DES, JBM-HH VCC, and to the customer.

(3) Upon the customer receiving the authorized event notice, they will then either pre-vett through the online website, or the completed JBM-HH Form 190-6x, (Installation Access Request) and return the written application back to the Visitor Control Center for processing.

(4) The Visitor Control Center will perform background checks on the applications of the event, and then return a clearance document back to the customer so they inform those who didn't meet the screening requirements that they are not allowed on the installation.

(5) The Visitor Control Center provides the approved screening list to the Gate Guards for allowed access, however, they are still subject to search.

(b) If the visitor has a valid U.S. driver's license:

(i) Pre-vetting can be conducted online (best option) at <https://pass.aie.army.mil/jbmhh/> or in person at JBM-HH VCC.

Hours of operation for Visitor Control Center (VCC/ Police Substation- Building 65) are Monday through Friday from 8:00 a.m. to 4:00 p.m. Outside of those hours of operation, vetting will be conducted from the Guard search station on a 24-hour basis.

For vetting the day of the event:

(1) Visitor will not be able to utilize the online feature, and must fill out the paper application and return same to their sponsor for submission to the JBM-HH VCC.

(a) Submit the JBM-HH Request for Support Form (Form 7) and the Special Events Visitor List (190-16f) for all non-DoD, to the Installation Operations Center and to NDU.

(b) Upon JBM-HH assessment, the Installation Operations Center will determine if this is an authorized or unauthorized event: notification (by email) to JBM-HH DES, JBM-HH VCC, and to the customer.

(c) Upon the customer receiving the authorized event notice, they will then either pre-vett through the online website, or the completed JBM-HH Form 190-6x, (Installation Access Request) and return the written application back to the VCC for processing.
